## History in EYFS

The EYFS framework is structured differently to the national curriculum as it is organised into seven areas of learning rather than subject areas. However, History is a vital part of learning in the EYFS strand Understanding the World focused on the Early Learning Goal: Past and Present.

### **ELG: Past and Present**

Children at the expected level of development will:

- Talk about the lives of the people around them and their roles in society
- Know some similarities and differences between things in the past and now, drawing on their experiences and what has been read in class
- Understand the past through settings, characters and events encountered in books read in class and storytelling.
