

1st March 2024

Dear Parents and Carers,

We're delighted to inform you that Walkeringham Primary School has achieved a 'good' judgement in all areas by Ofsted in our latest inspection, which is the first inspection the school has had under the new framework. The report is attached to this parentmail and is also available on the school website.

The children were quite rightly recognised as "great ambassadors for the school". They were described as, "Courteous, friendly and welcoming" and inspectors commented on the "strong family feel" of our school.

We are thrilled that the inspection team recognised that we have "developed ambitious curriculums in all subjects and children revisit and build on this learning across each year, and from one year to the next".

I would like to thank the whole staff team and governors for their dedication to the school and the children in their care and for their continued hard work to continue to strive to make Walkeringham the best it can be.

Thank you, to you as parents, carers and friends of Walkeringham, for your support. We look forward to our continued journey together.

Yours sincerely,

Mrs Heather Driver

Headteacher
