

Walkeringham Primary School

Science in EYFS

The EYFS framework is structured differently to the national curriculum as it is organised into seven areas of learning rather than subject areas. However, Science is a vital part of learning in the EYFS framework mainly developing from: Communication and Language, Personal, Social and Emotional Development and Understanding the World.

ELG: Understanding the world

Children at the expected level of development will:

- Use all their senses in hands-on exploration of natural materials.
- Explore collections of materials with similar and/or different properties.
- Talk about what they see, using a wide vocabulary.
- Begin to make sense of their own life-story and family's history.
- Explore how things work.
- Plant seeds and care for growing plants.
- Understand the key features of the life cycle of a plant and an animal.
- Begin to understand the need to respect and care for the natural environment and all living things.
- Explore and talk about different forces they can feel.
- Talk about the differences between materials and changes they notice.
- Explore the natural world around them.
- Describe what they see, hear and feel while they are outside.
- Recognise some environments that are different to the one in which they live.
- Understand the effect of changing seasons on the natural world around them.
- Explore the natural world around them, making observations and drawing pictures of animals and plants.
- Know some similarities and differences between the natural world around them and contrasting environments, drawing on their experiences and what has been read in class.
- Understand some important processes and changes in the natural world around them, including the seasons and changing states of matter.

ELG: Communication and Language

Children at the expected level of development will:

- Understand 'why' questions, like: "Why do you think the caterpillar got so fat?"

- Learn new vocabulary.
- Ask questions to find out more and to check what has been said to them.
- Articulate their ideas and thoughts in well-formed sentences.
- Describe events in some detail.
- Use talk to help work out problems and organise thinking and activities, and to explain how things work and why they might happen.
- Use new vocabulary in different contexts.
- Make comments about what they have heard and ask questions to clarify their understanding.

ELG: Personal, Social and Emotional Development

Children at the expected level of development will:

- Make healthy choices about food, drink, activity and tooth brushing.
- Know and talk about the different factors that support their overall health and wellbeing: regular physical activity, healthy eating, tooth brushing, sensible amounts of 'screen time', having a good sleep routine and being a safe pedestrian.
- Manage their own basic hygiene and personal needs, including dressing, going to the toilet and understanding the importance of healthy food choices.
